Roger,

Attached is the draft JSR that we discussed. We must file before **January 21, 2022**. Please insert your portion and email the completed draft to me before that deadline and I will file. Let me know if there are any issues with the proposed dates and we can revise.

Also, we discussed this during our initial conferral, but **please confirm** that your discovery requests will be "served" (via email is fine) after the Court enters the JSR.

Thank you,

Jared D. Najjar, Esq.
